Villas de San Juan del Sur is a lovely and affordable community located about 1 mile from the beach of San Juan del Sur. Set up in response to the demand for affordable housing with access to city Power, Water and Paved roads, this neighborhood has been quite successful in attracting both local and foreign buyers. With most lots in Villas de San Juan del Sur measuring approximately 252 sq meters, these lots size are comfortable enough to build 3 bedroom homes with a pool on 1 level and more rooms when 2 level construction is an option. Many have also decided to buy 2 lots at a time and creating spacious yard and patio areas for the private use. High Lights of this neighborhood include its location.
