FLORES BEACH One Beachfront Lot and 4 Lots in a row PRICED TO SELL. The four lots are located about 100 meters from the beach. These Five Beach Lots For Sale as a Single Package are approximate 705 square meters each (1000 square varas), ideal for building your dream retirement residence or vacation home. The beachfront lot is very close to the others. The sellers are very motivated and you can buy 5 lots for the price of one compared to the prices of the nearest beach development. The Five Beach Lots For Sale as a Single Package are ideal for those who enjoy privacy. Miraflores is a secluded beach with a spectacular coastline that seems endless. The 4 lots in a row have a drinking water well 126 feet deep. There is also a front perimeter Wall and a small casita where the caregivers live. All 4 lots are sold as a entire large lot. The beachfront lot has about 20 meters of beach fro...
