Listing ID: 002883285020

This furnished home in the Santa Mónica Gated Community, located in Santo Domingo, is an excellent option for families seeking to live in exclusivity, safety, and with access to key areas of Managua. Its privileged location places it just 300 meters from Av. Jean Paul Genie and only minutes away from Galerías Santo Domingo Shopping Center (www.galerias.com.ni). The property features 130 square meters of construction on a 250-square-meter lot. Its two-story design, built just 11 years ago, has been meticulously maintained and is offered fully furnished, move-in ready. On the first floor, you'll find a covered entrance, front garden, two parking spaces, living room, main lounge, dining area, and kitchen. This level also includes a guest bathroom and a maid's quarters with its own bathroom. From the social area, you have access to a double covered terrace and a private garden—perfec...
