Nicaragua - Managua

Managua

Listing ID: 002883285036

Located in Reparto Las Palmas, this Spacious Multipurpose Home is ideal for large families seeking comfort and space, as well as for businesses looking to establish operations in a central area of Managua. Its proximity to key services — BAC Credomatic, Hospital Salud Integral, Supermercado La Colonia, and Súper Express — ensures convenience for daily living or business operations, providing easy access for residents, clients, and staff. With 402.47 square meters of construction on a 705.09 varas² lot, the property offers a flexible layout adaptable to both residential and commercial use, allowing for a functional configuration based on specific needs. Inside, the home features a front porch, hallway, living room, dining area, two kitchens, 7 bedrooms, and 5 bathrooms. This layout supports comfortable large-family living or can be efficiently organized into administrative areas, co...
