Jinotepe

Listing ID: 002883285040

Spacious Functional Home in Jinotepe Located in Villas de Acceso, directly on the main road with quick access to the Pan-American Highway, this Spacious Functional Home in Jinotepe is an excellent opportunity for families seeking comfort, convenience, and a strategic location. Residents can enjoy Jinotepe's well-known cool climate while remaining close to the Municipal Market, the Industrial Technological Institute, and the historic El Calvario Church. The property features 239.23 square meters of construction on a 386.31-square-vara lot. Its single-story layout is designed for practicality and comfort, offering covered walkways, spacious circulation areas, and naturally bright interiors. Inside, the home includes a comfortable living room, a private office ideal for remote work, a dining area, and a kitchen equipped with custom cedar wood cabinetry and a built-in pantry. The layout also features a...
