Listing ID: 002883465068

This corner house in Monseñor Lezcano offers a versatile opportunity for large families as well as for different types of businesses, such as administrative offices, clinics, educational centers, or companies that require spacious facilities within a well-established urban area. The property features 364 square meters of construction, with a functional layout that includes a living room, dining area, 6 bedrooms, 4 bathrooms, a laundry area, terrace, and an internal patio that provides natural light and ventilation throughout the home. It also includes parking space for 2 vehicles, a particularly valuable feature given its corner location in a high-traffic area, where accessibility and convenient parking add significant practical value. Priced at \$140,000 USD, this property offers a solid combination of size, location, and flexibility of use. Contact us for more information or to schedule a visit.
