Mateare

Listing ID: 002884429001

Located in Ciudad Doral – Old Stage, Km 18 Carretera a León, this rental home represents an excellent option for families seeking comfort and tranquility within a well-established residential area. The property features 112.95 square meters of construction on a 288.78 square varas lot, developed with a functional layout and abundant natural light throughout. Its spaces include a spacious living room, independent dining area, and kitchen with breakfast bar for everyday use. The home offers three bedrooms and two bathrooms, including one inside the primary bedroom. Additionally, two bedrooms feature 12,000 BTU air conditioning units. Its layout also incorporates an open interior area that enhances natural ventilation and lighting throughout the home. It also includes an independent laundry area with ready-to-use connections and a sliding gate with direct access to parking for three vehicles. F...
