Nicaragua - Managua

Managua

Listing ID: 003043563010

Villa La Paz Urbanization. With a strategic location in the center of the capital, avoiding commute times and traffic jams during rush hour, live in the city without the noise and stress of the city. This housing project features 90 homes ready for immediate delivery. Amenities include: an access gate with 24/7 security, hydraulic concrete streets, a park or green recreational areas, and a perimeter wall around the entire project. The homes are built with certified quality materials using a reinforced masonry construction system. They feature four bedrooms, four bathrooms and restrooms, a living room, dining room, kitchen, porch with access, a terrace, a laundry area, and parking spaces. Acquire your new home, offering convenience, comfort, and a new lifestyle.
